

Updated May 2010

**Used Agricultural Warranty Program
Exclusive to Association Members Only**

Now includes: High Clearance
Sprayers and Floaters

The benefits of this program:

- ***One flat rate per equipment type!***
- ***\$0 Deductible!***
- ***No oil samples, no pre-inspection reports!***
- ***Claims reimbursement on parts at manufacturer suggested list price and labor at regular shop rates!***
- ***Includes mileage benefit to \$500!***

Flat Rate - Used Agriculture Warranty Program Specifics:

- Available for most brands of agricultural Tractors, High Clearance Sprayers and Floaters and Combines that belong to your dealership and have no current warranty.
- The warranty must be sold when the equipment is sold.
- If you don't see the type of machine, nor the terms you desire listed within this program then Protection Points regular Used AG Warranty program applies.

Equipment Eligibility:

- Tractors, High Clearance Sprayers and Floaters less than 6 years old with less than 3000 hours of engine use.
- Combines less than 4 years old with less than 2000 hours of engine use.
- Specific PTO-HP and Engine HP ratings apply: see rate sheet attached.

Equipment Exclusions:

- Machines in the Customer's Possession or on Consignment are specifically excluded from the program.
- Machines that are destined for a rental fleet.

Coverage available:

- Cover Type: Powertrain
- Cover Terms Vary: 12 months/500 additional hours and 24 months/1000 additional hours.
- Limit of Liability: \$75,000 single claim limit with aggregate at 50% of the machine's retailed value.

Day One Cover:

- In order to facilitate "day one coverage" the Dealer is responsible for 50% of the cost of any claims made for the first 30 days with a \$0 Customer deductible per occurrence. Premium for "day one cover" is due immediately Protection Point.
- Cover cannot be back dated, the day you submit an application for cover is the day the coverage starts.

Claims reimbursement:

- Parts are reimbursed at manufacturer suggested list price and labor is at regular shop rates.
- Claims are filed online at www.protectionpoint.ca and reimbursed within 14 days.
- See Master Parts Schedule for mileage benefit details.

How Our System Works:

- Dealers can apply for coverage by completing an application form and emailing it to us.
- Applications for cover must be made when the equipment is sold to the customer.
- The dealer will receive and email from us with a digital copy of the warranty document and an invoice.
- The invoice is due in our offices within 7 business days to support "day one cover"

How do you get started? Call or email us to get an account setup.

COMMERCIAL EQUIPMENT WARRANTY POLICY USED HEAVY AGRICULTURAL EQUIPMENT – MASTER PARTS TABLE

Please refer to the level of coverage provided as stated on the Policy Declaration page to find the appropriate section below. Not necessarily every component is covered by this contract, those components that are covered are listed below unless specifically excluded. Attachments or implements are not covered by this program.

Warranty includes a mileage benefit on covered claims of \$2.00 per kilometer to a maximum of 200 Kilometers and an aggregate total benefit of 250 kilometers or \$500 during the term of this contract. This Mileage Benefit is provided to offset the cost of having a representative of the Repair Facility attend to the Covered Equipment in the field, or the cost of hauling the Covered Equipment to the Repair Facility. This Mileage Benefit is subject to the deductible indicated on the Declaration page of this contract.
